AUCKLAND OPEN CHAMPIONSHIPS (50m)

incorporating 'Sub-Divisionals'

Thursday 23rd – Sunday 26th February

NEWSLETTER 15.2.12

We have now received the entries for Auckland Opens and are really pleased that entries remain around the same levels as we have had for the past three years. This is a really important meet for our Opens swimmers as they use it to prepare for SNZ Opens/Olympic Trials being held here in Auckland in just over one month's time at the end of March.

As always, we are pleased to welcome to this meet our visitors from various parts of New Zealand and of course the swimmers from the SNZ HP training center.

Last year for the benefit of Canterbury Earthquake Relief we introduced a parallel meet which we called the Sub-Divisionals. This year we have repeated this section again, although for a smaller more narrowly defined group of sub-divisional swimmers that we have in Auckland who have as their primary focus the SNZ Div II Championships. We are pleased that we have the opportunity to offer this section again and hope that they will enjoy participating in the programme with the Opens swimmers.

In accordance with the provisions of the Meet Programme & Meet Conditions Poster, we have now analysed the time-lines for both meets.

With the agreement of both the ASA Competitive Swim Group, the ASA Board and coaches, **we have elected to merge both planned daytime sessions** (Saturday Session 3 & 4 and Sunday Sessions 6 & 7) **into single morning sessions**, instead of the Sub-Divisional section commencing 1 hour after the end of the Opens session. While this will mean that the Opens swimmers will have a longer session than they have had in the past, it will have the added benefit of ensuring that those Opens

swimmers who are swimming multiple heats in the morning heats may enjoy a slightly more constructive recovery period between events. It will also relieve much of the burden on our officiators and volunteers.

PLEASE NOTE: For Opens Swimmers, there is NO CHANGE to scheduled warm-up and start-times, as per the Poster

The sessions (based on preliminary entry detail) for all swimmers (both Open and Sub-Divisional) have been timelined as follows:

SESSIONS	Warm-Up Time	Start Time	Approx. Finish Time
Session 1 Thursday 23 rd	6.00pm – 6.45pm	7.00pm	8.15pm
Session 2 Friday 24 th	6.00pm – 6.45pm	7.00pm	8.15pm
