Anthony Mosse set the benchmark for Auckland and New Zealand swimming. His record of achievement should be an inspiration to every Auckland Swimmer with successes at every level from local to provincial to international. A member of the New Zealand Sports Hall of Fame, Anthony's worldwide successes include titles and multiple medal winning performances at the Commonwealth Games, Olympic Games, World Championships, Pan Pacific Championships and World University Games, and he remains the only New Zealander swimmer to win all three of the major American titles (US National Champion, US Open Champion and US Collegiate Champion). During his career he set numerous Auckland and New Zealand National records, many of which stood for a generation. Beyond his life in the pool, Anthony's life has been an example of continuing achievement with an outstanding academic, commercial and media career. Anthony is well-known to a new generation of athletes for his interesting and knowledgeable presentations as a television commentator at many international swimming events, including the Commonwealth Games and Olympic Games.

As previously planned the Anthony Mosse Classic has become an annual feature of the Auckland Swimming calendar. It will be held again this year around the Auckland Anniversary weekend holiday, ideally timed as a last major event before the national events, SNZ Junior Champs, SNZ Div 2, SNZ NAGS, Auckland Opens, and the SNZ Open Nationals and pinnacle event trials.

The Anthony Mosse Classic is open principally to Auckland registered competitive swimmers. Subject to capacity, clubs from outside the region may seek an invitation to participate.

The programme for the 2014 Walker \& Hall Anthony Mosse Classic has been designed to allow maximum participation, with entry to Age Group and Open events qualification times set for maximum attendance (Junior entry being subject to minimal qualification standards) and with all swimmers participating in an exciting evening based Finals programme. Age Group medals will be awarded on a HDW basis from the results of the heats from each individual event. In addition, championship-style medals will be awarded

[^0]from the results of Finals swims. These will be the Open Final Medal (awarded from the Open A Final), the Youth Final Medal (awarded from the Open A \& B Final), and the Junior Final Medal (awarded from the Junior Final).

Reseeding:

Marshalling:

## Poolside Officials:

Pool Deck Passes: All swimmers, coaches, managers and pool side officials must display a current ASA identity card. No access to the poolside area will be permitted without a valid ASA pass.
The names of relay swimmers in each team (and their order of swimming) are to be submitted to the AOD Room at least 30 minutes before the start of the session in which the event is to be swum. The composition of the relay team may be changed from Heats to Finals (where Finals are swum), and from that submitted at the time of submission of entries.

ASA will accept entries from combined club relay teams where those clubs are "smaller clubs". A smaller club is understood to be one where the club has 40 or fewer registered competitive swimmers on the SNZ Database. Clubs who wish to make entries in accordance with this provision will need to arrange between themselves which club is responsible for submitting entries. Combined relay teams will not attract any club point allocations.

These will be placed downstairs on the wall by the entrance and upstairs on the walkway at the back of the dive well. Subject to technical capacity, 'Live Results' will be operating during the course of the meet.

All heats are scratch seeded. Heats may be reseeded at the Session Referee's discretion.

There will be Marshalling for the Junior Sessions (Sessions 2, 5, 8, 11) Swimmers must report to marshalling no later than 6 races before they are due to swim.

There will be no marshalling during the Age group heats sessions (Sessions 1, 4, 7, 10.) No events will be delayed for a swimmer who fails to appear for their swim.

All Finals Sessions will be subject to marshalling and swimmers must report to marshalling at least four races before the start of their final.

Auckland Swimming will endeavour to obtain the necessary number of officials but the number on poolside may be more or less than the requirement set out in SNZ rules.

Participating Auckland clubs are to supply: Officials as requested. Visiting Clubs will also be expected to supply officials as requested.

Junior/Age Group medals (Gold, Silver, Bronze) will be awarded on a HDW basis to the top three Auckland registered place-getters from heat swims for all individual events in the following age bands: 9/under, 10 years, 11 years, 12 years, 13 years, 14 years, 15 years and 16 years.
