

ASA TEAM MANAGER

2013 SNZ OPENS

Applications are being sought for the role of ASA Team Manager during the **2013 Swimming New Zealand Open Championships** being held at West Wave **17th – 22nd March**.

The role will require the applicant to be in attendance at all sessions of SNZ Opens and involves all liaison between our club teams (and athletes) and SNZ. This involves dealing with team sheets, results and information from the regional box, scratchings, DQs, relay placement, protests and advocacy, amongst other tasks.

Those who have filled the role in the past report it as being challenging but satisfying. The position may suit someone who has acted previously as a Club Team Manager or even as a Regional Manager at one of the lower level national meets.

While the position is voluntary the ASA does provide a travel allowance (by way of mileage reimbursement) and a meal allowance.

Please forward expressions of interest to the ASA Executive Officer by **3.00pm, 8th March 2013**, together with a summary of past experience which may prove valuable in being able to fill this important role.

Brian Palmer
