Team Manager's Report - NZ Spring A couple of points that were noted from the Team Manager's report:

Meet: The Auckland Relay teams are once again raising some concerns
The results of the NZ Spring Meet from Auckland's perspective was a success

The Team Manager (Julie Salt) did a superb job of co-ordinating and organizing the Auckland Team.

New Members for EMG: Philippa advised the meeting that Sue Snyders was prepared prepared to come back to the Group. It was agreed that a letter be written to the Parnell and Roskill clubs requesting a member from their clubs to join the EMG Group.

Medal Ceremonies: Following Swimming New Zealand's lead, swimmers who do not present themselves at the medal presentations will not receive their medal unless there are extenuating circumstances (i.e. in marshalling, in the pool racing). If swimmers are unavailable because of the above mentioned reasons, the swimmer collecting the medal on his/her behalf must be the same gender and age group. Swimmers must present themselves in their uniforms.

Central Zone Level 3: It was agreed that Onehunga will run the Level 3 zone on 27 November. To be confirmed.

Dolphin League: This was discussed at length.

Meeting closed: 9.30pm.
Next Meeting: Monday 14 November
