

# MINUTES

Of **Events Management Committee** held on  
Monday 7<sup>th</sup> March, 2005 at 7.30pm  
at Sports House, Harbour Sport, Stadium Drive, Albany

**Present:** Jo Draisey (Chair); Sue Snyders, Katrina Berntsen, Suzanne Speers, Mike Knowles and Philippa Bouzaid,

**Guest :** Warren Gifford

## **Matters Arising from Previous Minutes:**

### Dolphin League:

Warren Gifford attended the meeting to discuss the new criteria set by EMG at their previous meeting. Warren felt that changing the criteria would limit the numbers and further compound the participation in Dolphin League. ASA should be focusing on getting the participation up. It was felt that Dolphin needed more promotion and marketing by way of opening up the Dolphin League to Swim Schools, School teams etc. At this stage, there would be no Centre League. This matter was discussed at length.

**Moved** by Sue Snyders that EMG re-set the criteria for Dolphin League for its Autumn meet to stay as it has always been. EMG will review at the end of the 3 month meet.

**Seconded** Katrina Bernsten

**Carried**

### Pentathlon Event

This was discussed and the criteria has been set for this Meet. Philippa to organize the poster and forward to EMG for checking. Poster to be on the website by the end of the week. EMG to consider the half time entertainment.

### WAQ Tender Form

**Moved** by Sue Snyders that the Level 1 July meet be given to WAQ to run.

**Seconded** Suzanne Speers.

**Carried**

## **General Business:**

NZ Youth & Open Championships. Suzanne Speers recommended to the committee that an assistant Team Manager be appointed to assist at these championships. This was discussed and EMG decided that there will only be one Team Manager.

Meeting closed at 9.45pm
