Apologies:

1. Matters arising from previous Minutes:

EMG & Tech Meetings:

EMG have not met and Philippa will speak with members with regard to combining the meetings.

Disqualification Form:

It was recommended that Swimming Auckland use SNZ's "Guide for Wording of Disqualifications" form.

Moved by Craig Rouse. **Seconded:** Rowan Campey

Carried

Officials Booklets

The group agreed that a list of officials booklets be put on the website with a brief outline of what each book entails requesting any member interested to contact the office.

Lap Counters:

Rowan advised the meeting that no further replies have been forthcoming with regard to SNZ purchasing a bulk order of lap counters. Philippa to email Jo Davidson (cc Brent Singer) to ascertain where this is at. If, by the end of March 2007 if nothing is forthcoming, Swimming Auckland will proceed to purchase a new set of lap counters.

2. General Business:

Examination of Officials:

Philippa requested from technical that all examinations of officials must go through the proper process. Rowan suggested that if there is an abundance of senior officials at a particular meet, then an announcement to be made that any member wanting to be examined to proceed to poolside.

Officials Graphs:

The group reviewed the officials graphs which were produced from ASA Championships, Level 1, 2 & 3. It was noted that all clubs are performing well with regard to supplying officials. This was pleasing to see and look forward to growing our officials base further this year with all the clubs help.
