at Sports House, Harbour Sport, Stadium Drive, Albany

Present: Jill Vernon, Craig Rouse and Philippa Bouzaid

Apologies: Jim Goodwin, Ralph Lumsden, Leigh Johns, Rowan Campey

Due to no quorum at this meeting discussion only took place with regard to the following items:

Referees: In recognition for achieving referee status, a recommendation that Swimming Auckland present to all new referees (upon completing their examination), an engraved whistle.

Tier Level for Meets: A suggestion was put forward that a tiered structure for new referees be looked into. It was important that all new referees attend and officiate at Level 3 meets.

Badges: Is Swimming Auckland going to take this recognition up again?

Request for Referees: There was some discussion around the situation whereby the office puts out a request for senior officials to officiate at the upcoming meet and often when the referee turns up, there are other referees from the organizing club turning up and filling the positions.

Meet Director: Philippa advised the group that Leigh Johns has offered to be the Meet Director for AK Juniors and AK Age Groups. This has been accepted by Philippa, subject to confirmation at next meeting.

Other Matters: Jill Vernon to investigate some leads for fixing the starters stand.
Philippa to chase up Sandra re lap counters.
