CHAIRMAN'S REPORT 2012

Auckland Swimming is delighted to have its largest ever representation qualified for the 2012 London Olympics. Auckland will be represented by no less than seven swimmers for New Zealand; Lauren Boyle, Melissa Ingram, Steven Kent, Penelope Marshall, Carl O'Donnell, Hayley Palmer and Glenn Snyders. Auckland Swimming is also proud to have Amini Fonua qualified to swim at the Olympics representing Tonga. We wish them all the best for this pinnacle event and are excited for our swimmers knowing that the swimmers, coaches and support networks have done everything possible to ensure that our swimmers fulfil their potential.

Auckland was also in the honours at the Swimming New Zealand Awards with Kings Swim Club achieving Club of the Year, Glenn Snyders with Swim of the Year, and Lauren Boyle for Swimmer of the Year. Congratulations to you all.

The Auckland Swimming League has continued to be a great event for Auckland Swimming. The 2011 Premier League Final was hotly contested at West Wave in August by competitive and 'non-competitive' swimmers alike. It is great to see those supporting and on the fringes of competitive swimming being able to participate. The Junior League continues to be a significant stepping-stone for young swimmers entering our sport. The fun and atmosphere of these events is worth witnessing, especially when decisions are to be made around changes to senior competitions.

We are excited to have launched our new starting blocks at West Wave in time for the Olympic Qualifying event in April. Testing has shown that for elite swimmers these start blocks are making a difference of as much as 0.3 of a second in each event. A number of Olympic events were qualified with margins less than 0.3 second. Our investment has certainly paid off for those swimmers and we hope our future swimmers are also able to enjoy the benefits. Congratulations to our Executive Officer for obtaining the necessary funding and consent to have these installed on time.

Tonia Wheeler, our Office Administrator, retired in May. For many of our clubs Tonia was the point of contact with Auckland Swimming. We thank Tonia for her many years of dedication, commitment and enthusiasm for Auckland Swimming. Tonia continues to serve Auckland Swimming as a volunteer. Chantal Walker has replaced Tonia and is quickly becoming part of ASA.

There is no doubt that activities outside of the pool have kept us distracted this past year. The ASA remits to the Swimming NZ AGM were withdrawn, and in place a mediation

process and subsequent Review were implemented. At the time of writing, the Regions are yet to accept the Review recommendations at the Swimming NZ SGM to be held in July. The ASA Board is in full support of the Review recommendations chaired by Chris Moller, and look forward to implementing the necessary changes and the outcomes that will be achieved by these.

Many thanks to the Executive Groups; Competitive Swimming, Technical, Events Management and Technology. These Groups are an integral component of Swimming Auckland in the planning, development and implementation of our events. Our acknowledgments to all who hold positions on the Executive Groups, and to all the volunteers who officiate poolside.

I would also like to extend my gratitude to each of our Auckland Board members. The past year has been especially challenging in terms of time and commitment required as a Board member. Each of the Board members has willingly brought their own expertise and experience to work together to resolve issues. We are fortunate to retain the insight and proficiency of our Executive Officer, Brian Palmer. Brian continues to work tirelessly for the betterment of our swimmers and swimming community. My appreciation and gratitude to you all.

The next period of time will no doubt also be interesting. If the Review recommendations are accepted at the Swimming NZ SGM, by this time next year Auckland Swimming will have a new Constitution, Strategic Plan and competition structure. I am sure that our swimmers will enjoy and excel in the new environment.

EXECUTIVE OFFICER'S REPORT 2012

I would like to extend my thanks and appreciation to all who make the work of the ASA possible.

On your behalf I am confident I can express that we are all extremely proud of all of our swimmers, whether they be the new entrant at the beginning of their journey in ASL Junior League or Level 3, or one of our eight registered Auckland London 2012 Olympians.¹ It is the passion that each of you have for life and your sport and the effort which you place into the fulfilment of your dreams which inspires a small army of people who give generously of their time to make that possible.

In any year there are countless hours contributed by many hundreds of busy and capable volunteers to make the ASA's work possible. For those of us who work at this for our day jobs it is an inspiration to see the efforts you all make. The level of capability and engagement you all offer is quite outstanding.

With this Annual Report I have now completed my third year in this role. As I have got to know ever more of you I am quite simply and deeply grateful for all that you do. I would particularly like to make special mention of Tonia Wheeler who retired in May. She has quite simply been a rock of the association for longer than almost every person currently engaged in the sport. An examination of the accounts will show that she did what she did for the love of the sport. She certainly did not get rich from her many years of tireless work. The collective knowledge which she had is held in smaller parts by many within the community. However, many of us will now need to work that little bit harder to unleash what we know in her absence. Tonia, thank you and a thousand times over, thank you so much.

Although we are a sport, we are very much in the business of sport and I am very pleased to report a continuing trend of improved financial performance. At the time of writing the final audit has not yet been completed, but the draft accounts prepared by our accountants are reporting (after adjustments and accruals) a profit of \$13,000. This represents a pleasing turnaround in fortune over the last three years. Our business model is intended to be self-sustaining and to place minimal demands on the resources of our members. While it is a robust model, it is still vulnerable to changes in funding methods, and under the proposed new constitutional

¹ Glenn Snyders, Carl O'Donnell, Steven Kent, Lauren Boyle, Melissa Ingram, Hayley Palmer, Penelope Marshall, and including Amini Fonua (representing Tonga). Also past Auckland swimmers, Daniel Bell and Andy McMillan who have recently transferred to other regions.

arrangements with SNZ and the Whole of Sport Funding Plan, our capacity to trade independently will still need to be vigorously defended. The self-sustaining aspect of our business model is made possible with the generous support of various community and commercial groups. While not an exhaustive list, I would like to especially recognise and thank (in no particular order) The Trusts Charitable Foundation representing the Portage and Waitakere Licensing Trusts, ASB Community Trust, the Laser Group, Bartercard, Walker and Hall, CLM (Swim Magic) and Swim T3.

Also particular thanks to the Auckland City Council and the management and staff of West Wave with whom we enjoy an extremely positive and constructive relationship. This year the Henderson and Massey Local Board have been simply outstanding in their support of our sport and I am deeply indebted to them for their efforts and support on our behalf.

Throughout the year we have enjoyed a good and constructive relationship with our regional colleagues around the country. Our interests and theirs are closely aligned in many areas. We welcome swimmers from other regions to our meets and through the year many of you have contributed to ensuring that we offer the best regional competition format in the country. Sadly we have found this year that many of our common interests have been located outside of the pool, but we have benefited enormously as we have sought to establish better dialogue and understanding with regard to the aspirations of our colleagues outside of the Auckland region. Thanks to Maria Clarke Law for their tireless efforts to help us through challenging times and also to Sport New Zealand (formerly SPARC) for their efforts to assist in placing the sport in a better place.

A particularly important part of our work has involved interfacing with the new Auckland Council and its various arms. My personal involvement as a member of various groups, including the ASRRG (a special advisory panel to the Mayor and Council on sport and recreation matters), the Auckland Sports Coalition and the North Harbour Sports Council, has ensured a recognition for our sport well beyond that which our participating competitive numbers would ordinarily dictate. Our voice is one which is well respected and in critical areas of facility and infrastructure decision-making we have secured a real capacity to be heard and to make a difference. One of the Council projects with which I have had engagement was the redevelopment of the Auckland Tepid Baths as a member of the Mayoral Advisory Panel. It has been very satisfying to be engaged at a level which ensured, not just retention, but also the superb redevelopment of this iconic Auckland facility for future generations.

Through active involvement with these bodies, we (the ASA) have had a very active and significant input into the Auckland 30-year Plan which affects every aspect of the sporting community and its interface with the Council, the Auckland LTP, various local board plans, the Greater Auckland Aquatic Action Plan (GAAAP), Auckland Council community Funding Policy, together with the Community and Facility Partnership Policy, the proposed Flavel Bill on Gambling Harm Reduction (and community funding), the document covering Auckland Council's strategic direction relating to Sport and Parks, Reserves and Open Space Policy, to name but a few. I believe that through this work our position as a sport in the community of Auckland is better protected and enhanced.

As we look forward to the coming year, may I remind you of a frequent measure I apply to all of our work in the ASA, which is whether or not the work we do places the sport in a better place than we found it. The judgement on that front will only be made in years to come, but it is my hope that we in Auckland will continue to provide the strong leadership in the coming months and years of significant change in our sport and that this will lead us to a brighter future. That leadership alone cannot come as a result of the work of a small handful of people, but only as we harness strength and resource from our entire swimming community.

On behalf of both Chantal and I, may I extend our best wishes to you all for the coming year.
