One each to be awarded to the Auckland Boy and Girl whose performances in the Auckland Age Group Championships show the most excellence and versatility taking into account the most proportions of wins and placings within an age group and the quality of the performances as related to current Auckland Records within that grade.

R12.7.2 The trophy is restricted to:  
1. Grades - 15 years and under.  
2. Events - 50m, 100m, 200m and 400m but not 800m and 1500m.  
3. Calculations to be made on year grades from within mixed grades, for both 'wins' and records.

R12.7.3 *First calculation - VERSATILITY category*  
Excluding visitors, to find the top Auckland swimmers in each of the seven year grades: 15 yrs, 14 yrs, 13 yrs, 12 yrs, 11 yrs, 10 yrs, 9/u, for the fifteen events available to each - 50m, 100m, 200m, 400m in each stroke plus medley events, but excluding the 800m and 1500m freestyle.

Versatility points are to be allocated on at 150, 90, 30 basis for the top three competitors in each event.

The maximum score of 2050 points is available for a swimmer who wins all events as listed above, within his/her grade.

When an event is swum as a mixed grade, e.g. 14 years and under, this is to be broken into yearly grades, with 9 years and under as the youngest grade.

Heat times to be used where a swimmer did not qualify for a final, but times swum in finals take precedence over heat times.

#### R12.7.4 *Second calculation - EXCELLENCE category.*

The top versatility points scorers in each grade, seven boys and seven girls, are then eligible for excellence points.

Only the best performance of each swimmer, determined by comparison with the current Auckland Record within that grade, is to receive extra points as follows:

For equaling or breaking one record				+ 1000 points	
For breaking the record, additional points as listed below:					
For coming close to the record - subtract the following points from 1000. Refer example below:					
POINTS			LIMITS		
400M Events	1 pt	for each 0.01s	up to 10s	off record	
200m	2 pts	" "	up to 5s	" "	
100m	4 pts	" "	up to 2.5s	" "	
50m	8 pts	" "	up to 1.25s	" "	

This scale will give a zero score for missing records with times outside the limits, similarly a ceiling of plus 1000 points for breaking a record by up to the above limits.

Examples:

Breaking a 400m record by 10s or more earns 2000 pts

By being 0.01s outside a 400m record earns 999 pts.

R12.7.5 The VERSATILITY score and the EXCELLENCE score are added to determine the boy and girl winners of the trophies.
